

STRONGER TOGETHER:
COMMUNITY AND RESILIENCE IN A CHANGING CLIMATE

Wisdom Ways is a
Program of Accola

We need your help!

- 1) Help us expand our network of mission-aligned organizations and businesses.

Step 1: Review the attached **Partner Prospects list** of orgs and businesses we'd like to partner with, and identify one or more you can help us connect with through a warm introduction

Step 2: Review our **In-Kind Needs** and **Target Industries** to suggest an org or business that could help us resource Conference attendees through in-kind and financial support, or by tabling in our Exhibit Hall

Step 3: Send a note to Haven (651-758-1383, hgreen@accolamn.org) by April 16 with one or more names you'd think could be a fit. We'll ask some questions, then take it from there!

It will be helpful to have some basic information you'll find in our Sponsorship Prospectus. Detailed sponsor packages can be found on our Conference website (<https://www.wisdomwayscenter.org/soul-conference>). Note that we're happy to work with organizations to tailor a customized package that meets their needs and priorities.

- 2) Register, and tell a friend!

Check out our website for more information about the Conference schedule and planned content. The Wisdom Ways team is especially excited about newly announced keynote speaker, Kaitlin Curtice!

Thank you, Board members! With your help, we can build our Wisdom Ways network and host a vibrant Soul Conference 2026.
