

Board Member Engagement: Introducing Accola to New Prospects

The Advancement Committee asks each Accola Board Member to introduce Accola to at least 2-3 new prospects before June 30, 2025. Each Board member will be personally called by Ralph to schedule an introduction (coffee meeting, lunch, happy hour, site visit) with you, your guests, and Matt and/or Ralph. These appointments do not necessarily need to include a solicitation but should introduce Accola and lead the way for follow-up, program visits, and an ask.
